

# STUDY BREAKS SPRING 2024

EDITING TEAM

## WHAT YOU'LL DO

Every week, editors will edit, fact-check and upload articles to the website, then provide brief feedback to the writers of the pieces.

You will also have bi-weekly, individual feedback sessions, in which you will review your edits with your writers.

In addition, your edits will be reviewed by the Editor in Chief to ensure they are attuned to the Study Breaks voice.

## WHAT YOU'LL RECIEVE

You will network with dozens of student writers from across the country, in addition to your editing partners.

You will also learn the basics of WordPress, a host used by many modern publications

Your name and profile will be featured on the website. Your aptitude for editing will increase after months of practice and feedback, which will in turn improve your writing and analytical capacities.
